

Fiscal Management Policy

Policy: Fiscal Management
Category: Governance Process
Status: Adopted 2002-12-12

All fiscal management will be in compliance with the laws of the state of Nevada and the federal government which apply to nonprofit corporations, and in alignment with generally accepted accounting principles (GAAP). The Board of Directors will take all actions necessary to maintain status as a nonprofit and tax exempt corporation under the laws of the state of Nevada and the federal government.

Board Treasurer will insure that all issued checks have been approved in the official budget. In addition, all checks over \$500 will require an additional board member's signature on the *Request for Funds* form. Faxed copies of this form and signature are acceptable.
